

What I like: Round shape could look like a globe (world); could have figures representing dance, aerial and pole

What I don't like: a little too busy; not sure I like multiple figures.

---

What I like: Simplicity; easy to read and understand; the single figure could represent dance in general as well as aerial.

---

What I like: Single figure could represent dance and aerial;

What I don't like: The font for "Aerial Dance Events" ; prefer an easier to read font

What I like: Simple, easy to read and understand; single figure could signify dance, aerial, pole and yoga.

What I don't like: doesn't really pop

What I like: the graphic signifies both the "roots" from the name and it could signify both dance and aerial. Simple and effective

What I don't like: font is difficult to read
