You won't get hired solely for your ability to make someone laugh, but emphasizing something a little lighter like Tina's icon about coffee or her note about Comic Sans—helps you convey that you won't be a wallflower at the office happy hour.

TIMELINE WORKING THROUGH THE DETAILS TO CREATE UNIQUE SOLUTIONS

My diverse career has exposed me to a wide variety of projects in the design industry which allows me to try new fields and expand my knowledge base. I've worked hard to imperent that knowledge when tackling challenges to create a wide range of impactful design solutions.

I have always held the opinion that the more ways you can look at a problem, the more complete the solution will be. I highly value my career as a multi-faceted designer, and use my versatility when approaching new projects. My diverse knowledge and skill set provide a foundation to create unique and innovative designs.
