

Here is the general association's logo:

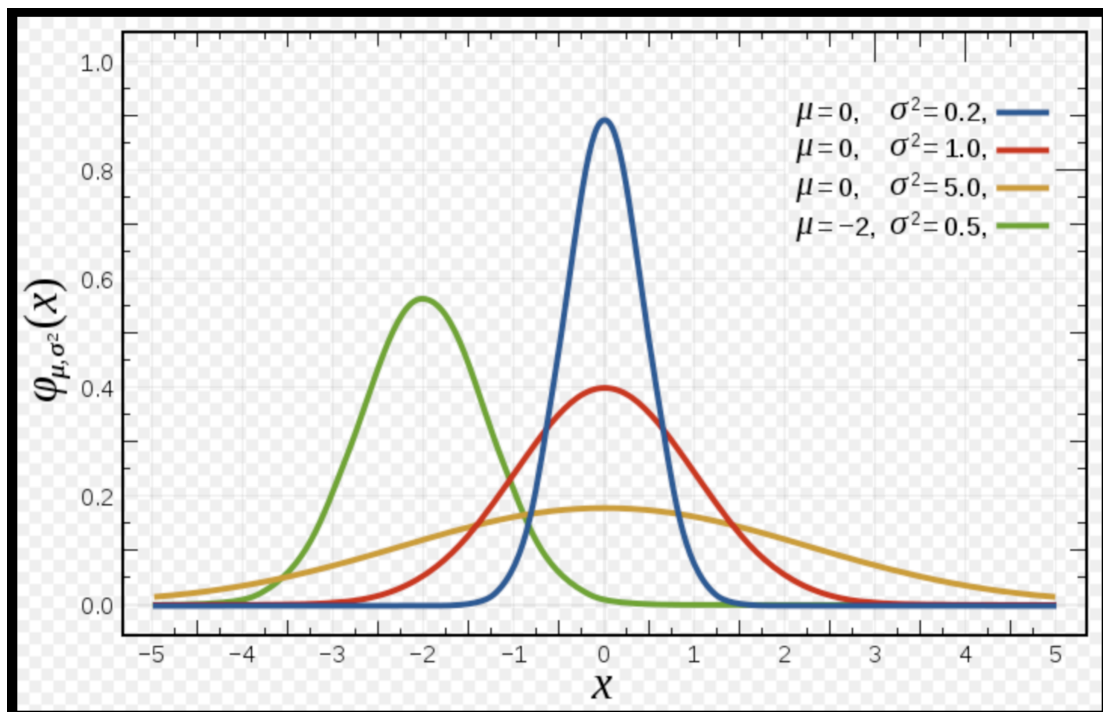

Here are some images that might be useful starting points:

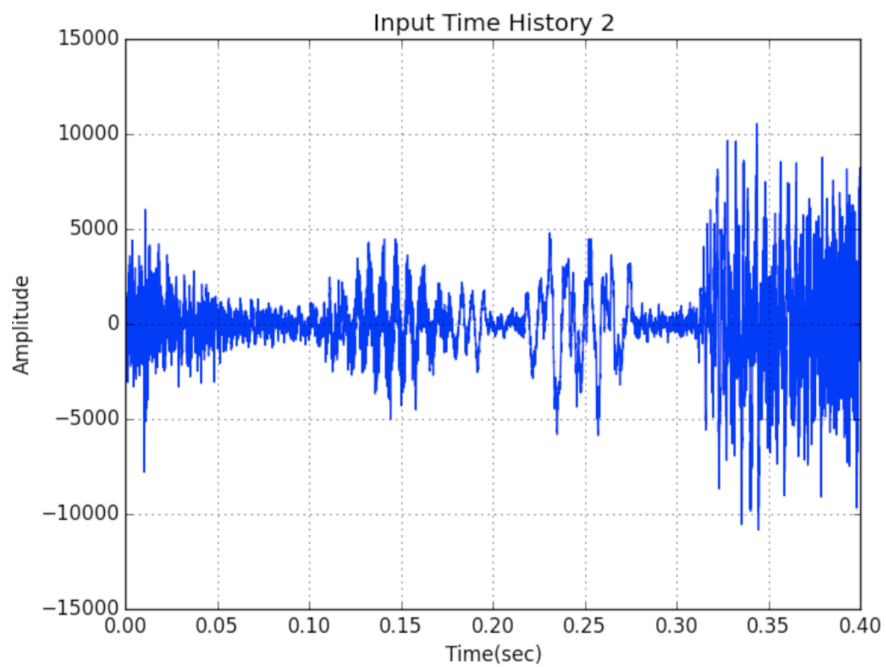

1. Of Vancouver, BC

2. Statistical distributions (the focus in the logo, though, should be on the **edges** of distributions, not the peaks)

3. A waveform:

Finally, here are some logos from previous conferences:

1. LabPhon 16, 2018, Lisbon, Portugal:

2. LabPhon 15, 2016, Ithaca, NY:

3. LabPhon 11, 2008, Wellington, NZ:

4. LabPhon 10, 2006, Paris, France:
